Dear Ms. Makepeace-O'Neill, Ms. Farrell, and Mr. Stocker:

On behalf of 17 Shutesbury residents I submit the petition attached herein to establish, as outlined in 310 CMR 40.1403, an opportunity for Public Involvement Activities related to any Immediate Response Action conducted pursuant to 310 CMR 40.0410 for the following location:

Lot O-32, Shutesbury, also known as 66 Leverett Road, Department of Environmental Protection Release Tracking Number 1-21489.

As residents of Shutesbury, we are very concerned about the safety of Lot O-32 now that the Town is planning to construct a new public building on the parcel. Recent problems in Springfield and Greenfield regarding the trustworthiness and accuracy of Licensed Site Professional (LSP) O'Reilly, Talbot, and Okun cast doubt on the 2021 assessment performed by that LSP for the Town of Shutesbury.

Community participation in the planning and execution of Immediate Response Actions ensures that the public interest is served through mutually beneficial interactions between citizens and government.

Thank you for your attention to this matter.

Sincerely,
Amanda Alix
Lead Petitioner
